~~~~~ **NEXT Meeting: 2 December — Homework : Panoramic Images**

What is a Panorama? A panorama is basically a wide photograph of a big scene ... it could be a mountain range, a lake or sea view or a big vista landscape, or something that you might not be able to fit into one photo with the lens you have! Panorama photography seems quite daunting, but in reality it is a lot easier than you think.

3. Panorama Photography for Beginners - Camera Settings and how to stitch and edit the perfect pano. 14.50:

Here is some information about The Vines Theatre:

Mary writes: From 9.30 we can purchase cold and hot drinks (barista coffee etc) and food: muffins, scones, cakes, sausage rolls, club sandwich etc, but, sorry Steve, no hot breakfast! You can take drinks and food into theatre.
